Football team wins district title

by Caleb Casey
Senior Staff Writer

The Vikings of Grayling High School won their first football district championship in school history with a 35-18 victory over the Kingsford Flivvers at GHS last Friday.

Grayling led 21-18 going into the fourth quarter of Friday night's district title game. The Vikings intercepted three Flivver passes in the fourth period and outscored Kingsford 14-0 in the final 12 minutes to seal the win. One turnover – an interception by Eli VanNuck – led to a 7-yard touchdown pass from Jeff Bancroft to Reagan Schmidt, and Bancroft returned a different interception for a TD with 3:58 left in the contest. Joey Bancroft finished the game with 185 rushing yards on 36 carries with three touchdowns.

The Vikings posted a 6-3 record in the 2005 regular season – losing only to three 8-1 teams – and defeated the Alma Panthers 14-6 in pre-districts to advance to last week's Division 4 Region 1 District 1 championship match vs. Kingsford. Grayling is now one of eight teams left in the Division 4 Michigan High School Athletic Association playoffs.

Veterans Day programs slated

The Grayling High School will open its doors to local veterans on Friday.

The Grayling High School will hold its annual Veterans Day program starting at 9 a.m., on Friday in the high school auditorium. A reception where veterans can gather and mingle will be held before the program starts at 8:15 a.m. in the cafeteria.

Veteran Ron Larson and Brian Farrall, a member of the 1438th Engineer Detachment which served a tour of duty in Iraq, will be guest speakers at the program.

This year's program will have a special focus on members of the armed forces who are currently serving the country, said Amanda Lutz, governor of the Grayling High School's Student Senate.

The members of the Grayling VFW Post #3736 will hold their Veterans Day program at the American Legion Hall at 11 a.m. Friday. A representative from the Veteran's Administration will be on hand to give an overview of benefits which are available to veterans, said Bill Borchers, the commander for the VFW Post #3736.

Toys for Tots to launch campaign

For the second year in a row, the Crawford County Toys for Tots program has received grant funds to help jump start its annual holiday campaign.

The Toys "R" Us Children's Fund, Inc., which has teamed up with the United States Marine Corps Toys for Tots Foundation, has given the Crawford County Toys for Tots Program a \$3,000 grant to help purchase toys for children in the county.

Marian Gosnell, coordinator for the Crawford County Toys for Tots, said that the grant will allow volunteers to purchase toys that the program may be short on which are high in demand, and will also let her purchase more pricey toys for children in the county.

"It's tremendous help," Gosnell said.

In its eighth year, the Crawford County Toys for Tots program gives toys to over 800

Buck pole event to help kick off firearm deer season

Hunters will have the opportunity to compete for cash and prizes on the first two days of firearm deer hunting season – Tuesday, November 15, and Wednesday, November 16 – during this year's Orangecoat Round-up event at Skip's Sport Shop next week.

Hunters must have an Orangecoat Round-up button to compete in the buck pole event. Buttons can be purchased at Skip's Sport Shop for \$2.

The hunter whose buck has the largest rack over the course of the two-day competition will win a scoped rifle.

Daily prizes for the two-day

event will be awarded in the following categories: first buck, heaviest buck, first woman hunter, youngest hunter, oldest hunter, and first 10 bucks. Daily winners in these categories will receive their choice of \$25 cash or a \$50 savings bond.

Also, all bucks after number 10 until the pole closes will net a \$10 cash prize for the hunter.

Missy Millikin of Skip's Sport Shop said bow season "was really good the first week. Lately, it's been going good again. The rut is going – bucks chasing the does."

"It should be a good opener," she said.

Grayling City election results

Veterinarian charged for drug theft

by Dan Sanderson
Staff Writer

A veterinarian who worked at the Grayling Hospital for Animals for a couple of months who is accused of taking pain drugs used to treat sick animals will be back in court later this month to face felony charges.

Brain James Dawson II was arraigned on Wednesday, Nov. 2 in Crawford County District Court for two counts of larceny in a building. Dawson faces up to four years in prison and a \$5,000 fine if convicted.

Detectives from the Strike Investigative Narcotics Group (STING) arrested Dawson on

Friday, Oct. 21.

Detectives began investigating Dawson after Dr. Paul Mesack, the owner of the Grayling Hospital for Animals, observed that the injectable narcotics used as pain killers for the animal patients were not working properly, raising the possibility that someone was tampering with the supply of controlled substances.

After Mesack contacted STING investigators, evidence was seized from the veterinary office and submitted to the Michigan State Police Grayling

Crime Lab for analysis.

Mesack said Dawson started working at the Grayling Hospital for Animals on Aug. 1.

Camarin Talarico, a magistrate for the 46th Trial Court, scheduled a preliminary exam for Dawson for Tuesday, Nov. 29, when prosecutors will have to present evidence to determine if the former Grayling animal doctor will face a trial for the felony charges. Traverse City attorney Paul Jarboe is representing Dawson.

Dawson remains free on a personal recognizance bond.

Detour in place on Maple Street

A detour on Maple Street in the City of Grayling will remain in place throughout the week.

The bridge on Maple Street will be closed for at least one week while contractors complete work on the city's water system, said Chad Beckett, the

director of Grayling's Department of Public Works.

Motorists are encouraged to seek alternative routes while the work is being completed, and city officials apologize for the inconvenience the detour may cause.

Legion Post supports military family

The men and women from Grayling's American Legion Post #106 and Legion Auxiliary raised about \$1,500 through a spaghetti dinner held last week for Lisa and George Masella whose home, located at 404 Ionia St., was destroyed by an accidental fire on Sept. 30. Proceeds from the dinner will be matched by funds raised through the American Legion's weekly bingo contests, so the Masellas will receive about \$3,000 to help recover from the fire. George Masella is a mechanic for the 1071st Maintenance Company, which is currently serving in Iraq. Lisa and the couple's three children, Domanik, 3, Kaelee, 2, and 2-month-old Antonio, were able to escape the blaze, and are staying in temporary housing while their home is being rebuilt. children in the county. Unlike other areas, the generosity of the community allows the program to give four to five toys to children when only one toy and one stocking stuffer is recommended under national Toys for Tots guidelines, Gosnell said. The program also allows volunteers to give toys from infant children through high school students.

Families who are in need or have difficulty paying bills can sign up to take part in the Toys for Tots program at the Christian Help Center. The only requirement to benefit from the program is the family must reside within Crawford County.

"We want them to pay their bills and come to us to help with Christmas," Gosnell said. "If they feel they are need, they may come to us."

Despite the help of the grant,

volunteers still encourage residents to donate new, un-wrapped toys to Toys for Tots.

"We don't want this to detract anyone donating because we still need their help," Gosnell said.

Toys for Tots collection boxes will be in area businesses starting on Nov. 14.

Drop off sites include: Curves for Women, Bloomin' Grape Gourmet Deli and Market, Chemical Bank, Huntington Bank, Northland Area Federal Credit Union, Glen's Market, Grayling Regional Chamber of Commerce, the AAA office in the Grayling Mini Mall, Goodale's Bakery, Icehouse Quilt Shop, the Crawford County Sheriff's Department, Dollar General, Dr. Denholm's Chiropractic Clinic, J. Dap Company, Citizen's Bank and North Central Area Credit Union.

In addition, Crawford County Toys for Tots will have the program's train logos for sale in area bars and restaurants in December, where people can make donations and have their contributions recognized.

"We have a very generous community, and without their support, we would never be able to brighten the holidays for hundreds of children in the county," Gosnell said.

In Roscommon County, Don Nester Chevrolet Oldsmobile is serving as a drop-off site for the Toys for Tots program.

Maj. Bill Hendricks, United States Marine Corps Reserve, founded Toys for Tots in Los Angeles, Ca. in 1947 and collected 5,000 toys during the initial Christmas campaign. A year later, the United States Marine Corps adopted Toys for Tots as a nation wide community action project.

Walt Disney designed the now famous Toys for Tots train logo, and created the first national Toys for Tots posters. Over the years, the posters have become a recognized part of the national program, and have featured such notable characters as Mickey Mouse, Donald Duck, Dennis the Menace, Bugs Bunny and the Road Runner.

The Toys for Tots Foundation was created in 1989 to supplement toys donated by businesses and individuals and to allow program volunteers to plan and allocate their resources.

In 2004, the Toys for Tots campaign was conducted in 481 communities covering all 50 states, the District of Columbia and Puerto Rico - the most extensive coverage for the program to date and Marines and Toys for Tots volunteers distributed more than 19 million toys to 7.5 million needy children.

Commissioners contract with engineering firm

by Dan Sanderson
Staff Writer

Crawford County Commissioners last week hired an engineering firm to put together cost estimates on potential upgrades and expansions which may take place at the county building.

The county commissioners hired the Northwest Design Group of Petoskey to complete a conceptual design study for the future of the county building for \$27,900.

The first task the engineers will be charged with will be to determine how the county building can be made accessible to meet with the American with Disability Act (ADA) codes.

Engineers will also be asked to determine the efficiency of the building heating and cooling systems, where possible building expansions could be made on the property, where parking spaces could be created and how many employees and county departments could be housed in the building.

Earlier this year, a committee formed to explore the potential relocation of the county building and determined the county facilities should remain in the current location.

The committee was formed after Bill Gannon, the owner of

Gannon Broadcasting, expressed interest in acquiring the four acres the county building and jail are located on to develop the land in conjunction with the former Bear Archery property.

Officials are still considering plans to move county facilities which would allow for the expansion of Michigan Avenue, expanding Grayling's downtown area into the Bear Archery property and creating a new path for traffic in the community.

Engineers are expected to have a preliminary draft on possible upgrades to the county building by the end of the year.

Dave Stephenson, chairman of the county board, said officials will then determine if the upgrades will be done in phases or if financing will be sought for one huge project.

"It's really hard to make those decisions until we get the information on what it's going to cost so that's what we're after," Stephenson said.

Neal Michael, chairman of the county building authority, said the county at least needs a plan in place to defend itself against lawsuits since the building is not ADA compliant.

In January, 2003, the county was awarded a \$300,000, United States Department of Agriculture (USDA) Rural Development

loan to install an elevator, renovate rest rooms and create a handicapped accessible entrance for the county building so the facility complied with ADA guidelines.

Gannon made his offer to buy the county property just as the building authority was about to hire a contractor for the county building facelift, so officials decided not to tap the USDA funds.

County Commissioner Terry Beardslee recommended engineers complete studies on soil conditions on the county property.

"We should probably know what we are trying to build on before we spend money to go any further," Beardslee said.

ISSUES AND OPINIONS

ALMANACK

by Richard L. Milliman

Sadly, Veterans Day is growing in significance

(Author's Note: I put together this essay on Veterans Day a couple of years ago, and in light of the continuing warfare in Iraq and Afghanistan, it seems even more appropriate this year.)

THE HISTORY OF Veterans Day has evolved with world events.

Back in 1919, Armistice Day was established to hail the end of the bloody war which had enveloped much of Europe from 1914-1918 and to honor American soldiers and sailors who had died in the hostilities.

At the time, that war was known as "The War to End All Wars." In ensuing years, to Americans it became "The World War."

Not until another worldwide war erupted in 1939-45 did it become necessary to attach Roman numerals to our World Wars.

The World War I armistice was timed deliberately to be formalized at the 11th hour of the 11th day of the 11th month.

The first Armistice Day on the first anniversary of the actual armistice was to be observed in the United States with a suspension of all activity throughout the country for a two minute period on November 11, 1919, at precisely 11 a.m.

That first observance of world peace also was marked by parades, public meetings, and speeches.

PRESIDENT WOODROW Wilson proclaimed the first Armistice Day with these words:

"To us in America, the reflections of Armistice Day will be filled with solemn pride in the heroism of those who died in the country's service and with gratitude for the victory, both because of the thing from which it has freed us and because of the opportunity it has given America to show her sympathy with peace and justice in the councils of the nations."

In 1920, President Wilson added a religious element when he designated

the Sunday nearest Armistice Day for church services to be held in the interest of international peace.

In 1921, Congress established the Tomb of the Unknown Soldier at Arlington National Cemetery, and the third Armistice Day on November 11, 1921 was set for the entombment ceremony. Congress in 1921 also established Armistice Day as a federal holiday.

UNFORTUNATELY, "The War to End All Wars" did not end all wars. World War II produced even more military heroism and deaths, along with great floods of new veterans who served their country.

In 1954, Congress changed the name of Armistice Day to Veterans Day, to recognize veterans of both World Wars in our national remembrances.

But World War II did not end all wars, either, and America has continued to send its young men and young women

into battle in numerous foreign lands. Whether these military actions are designated officially as "wars" is beside the point; heroic young men and women continue to serve their country, and far too many are killed in battle.

The interim between American involvements in wars seems to be shrinking. American troops have been sent to foreign hot spots somewhere in the world almost constantly.

Sadly the significance of a special day to recognize the sacrifices and heroism of American service men and women grows each year.

IT WASN'T SUPPOSED to be this way, and the prospects for eternal and universal peace throughout the world are not nearly as bright today as they may have seemed in 1918.

It is good to recall the message of President Dwight Eisenhower when Armistice Day was broadened to

become Veterans Day in 1954:

"On that day, let us solemnly remember the sacrifices of all those who fought so valiantly, on the seas, in the air, and on foreign shores, to preserve our heritage of freedom."

I would add this humble vision:

Let us hope and pray that the number of new American service veterans in the future will diminish rather than increase, and that our national day to honor those who have served their country by bearing military arms will stop growing in significance.

Only lasting international peace, based on human dignity and equal justice, will fulfill such a vision. That should be America's consistent goal.

VIEWPOINT

by Crawford County Sheriff Kirk Wakefield

Crime Prevention

As Sheriff of Crawford County, I would like to discuss an issue very close to each of us, crime prevention. My office is committed to making our neighborhoods safer places to live. By doing so, we will improve the quality of life for individuals and families, both young and old. It is imperative that we seek progress to reduce the negative influences that crime has on our children, and to help safeguard the elderly.

In the past year, this office has worked extremely hard, making significant improvements in our county. Through community-based programs and an emphasis on professionalism, we hope to reduce the number of gun-related crimes, thefts, incidents of domestic violence and other disturbances.

An example of our plans and objectives include:

Provide officers with the resources necessary to improve preparedness and response capabilities.

Promote the importance of Neighborhood Watch programs.

Continue our initiatives in specialized technical training and the latest crime prevention measures.

Protection of our senior citizens from acts of violence, neglect and fraud.

Increased drug awareness

through educational programs and services that will give individuals a fighting chance to lead more productive lives.

We hope to see fewer incidents of spousal and child abuse by further developing opportunities for law enforcement to work more closely with shelter and local organizations to provide counseling and support.

Maintain our goal to improve our correctional facilities, incorporating the latest security measures for the purpose of removing more criminals from the streets.

Integrate special rehabilitation programs that aim to help criminals by preparing them to become productive members of society.

Implement productive activities that help children by redirecting them from illegal activity. This can be accomplished by providing relevant and enjoyable programs to occupy their time and attention. These are the type of efforts that can provide positive influences and enable our youth to become responsible citizens.

I personally want to thank all of you for supporting the Crawford County Sheriff's Office and for the support of these initiatives, those in place now as well as those in keeping with our objectives.

In addition, I would like to share another unique initiative with you, the Michigan Sheriff's Association Educational Services Associate Membership Program, supported by citizens committed to making our communities a safer place to live.

This important program enables citizens to make a real difference toward the aforementioned objectives. The Associate Membership Program is based on the premise that citizens and law enforcement officers can collaborate to have a direct impact in our communities. Through membership, citizens can help in a very practical way.

I invite businesses and individuals alike to support our efforts by becoming members. Through your participation in this program, we can continue to provide the resources necessary to make a difference.

Anyone interested in knowing more about this very important program may call: (517) 485-3135 or write to: 515 North Capitol Avenue, Lansing, MI 48933 or visit them online, www.michigansheriff.com. Their office will be glad to mail additional information to interested parties.

I strongly urge the residents for Crawford County to consider participating in this honorable program, not only for its monetary support of law enforcement, but for the moral support that unites us in building a safer community.

The Veteran

To the editor,
The Veteran...
If you want to be a Veteran a few things are a must, the first thing he remembers is getting off the bus.

He went to basic training and then to A.I.T., he's going to be a Veteran just you wait and see.

He served his stint, here at home and then went overseas, he served his time with honor being all that he could be.

The first six years went rather well the next six years went fast, Fourteen years six months three

days it was just too good to last.

By now he had been married with three kids of his own, there's orders here for overseas this time he'll go alone.

He's on his way to fight the war he's all that he can be, he's going to be a veteran just you wait and see.

He served his time in battle and then they sent him home, twenty years have passed him by and not one single groan.

Now he has retired but his spirit marches on, clear across the country the oceans and beyond.

He has become that Veteran we honor him today, we don't call the Veterans that served the U.S.A.

I fly my flag at half its staff for the veterans that have died, my neighbors flag is at full staff for those who served with pride.

This special day was set aside by the country you were serving, a salute to you this Veterans Day, there's no - one more deserving.

A good Veterans Day to all our Vets still marching.

To the editor,
This is a letter to parents in Grayling: If your child came home with a "new" white Schwinn mountain bike on Nov. 4, claiming that a friend gave it to them or some such story, it's

stolen property. It was stolen out of my back yard at 408 Spruce St., and since that is across from the middle school, I suspect a kid took it. It's an old bike, not worth much, but important to me for sentimental rea-

sons. I'd really like it back, no questions asked.

Restore your self respect and dignity by returning what does not belong to you.

Halloween seemed to have few tricks

To the editor:
There were more decorations for Halloween than I have ever seen before, many within a few blocks of our home. Bouquets also to all of the people who had parties and businesses and churches who treated the children. Unless we missed it, there seemed to be very few "tricks"

around the city. Isn't it wonderful that everyone can have a good time without damaging

Local church to host christian praise band

The Resurrection Life Fellowship of Northern Michigan, 200 Huron, at the corner of the I-75 Business Loop and M-72, in the Milltown Center Building in Grayling, will welcome the christian praise band, "Seeds", from Chicago on Sunday, Nov. 13. The group will lead praise and worship for the Sunday morning service at 10:30 a.m. The public is welcome.

"Seeds" as a group has been serving the Lord through music since 1955. All six members live and work at Jesus People USA (JPUSA), a 500 member intentional Christian community located in Chicago's Uptown neighborhood, committed to serving God by serving the poor. Within JPUSA are several ministries supported by JPUSA owned businesses. These include a shelter for homeless women with children, another for families and single men and women, a neighborhood youth mentoring program, and a retirement home for low income senior citizens.

In addition, JPUSA conducts a massive outdoor Christian

music festival, with hundreds of musical acts and thousands of attendees. "Seeds", which is the No. 2 band for the annual event, describes itself as having been influenced by many folk and folk/rock bands of the late 60's and 70's, which is how most people describe their musical sound.

The band also incorporates some "world" elements, with the use of hand drums, didgeridoo, Irish whistle, and ethnic stringed instruments. It has three completely original, full-length albums, all on CD, in addition to a fourth on which they collaborated with other members of their community.

"Seeds" has toured the Midwest, South and East in the United States and just returned from a tour of Israel this October, hoping this trip will cause other doors to open

hem. Because of their duties in the community and to their families, they do not tour heavily; they are committed to weekly music ministry within the Chicago JPUSA community, leading praise and worship for their church services.

Dinner to benefit Stoddard family

The Frederic Community is banding together to raise funds for a Crawford County man who has spent several years serving on emergency services units and volunteer police forces in the county.

A spaghetti diner will be held from 4 p.m. to 7 p.m. on Saturday, Nov. 19 at the Frederic Elementary School to raise funds for Chuck Stoddard and his family. Last month, Stoddard was diagnosed with squamous cell cancer of the larynx. He will be going through several weeks of chemotherapy

and radiation, possibly surgery, and will be traveling to Gaylord and Petoskey for treatments and doctors appointments.

Stoddard was among the first men in Crawford County to become a licensed EMT. He has served on the Frederic Township Volunteer Fire Department for over 30 years, and has a fire truck obtained with federal funding dedicated in his honor.

Stoddard served as the Frederic Township constable for 20 years. He also was a member of the Crawford

County Sheriff's Department Reserves, reaching the rank of lieutenant.

Stoddard was a charter member for the Grayling VFW Post #3736, served as governor of the Grayling Moose Lodge #1162 and is a member of AuSable Emergency Radio Team.

Stoddard and his wife, Anna, have been married for 52 years. The couple has seven children, 19 grandchildren and seven great-grandchildren.

The Frederic Fire Department and the owners of Patty's Place

of Frederic, George and Tracy Koka and Frank Zimmnicki, are spearheading the efforts to organize the benefit dinner for Stoddard and his family.

Donations and volunteers for the dinner are being sought. T-shirts to show support for Stoddard and his family are also on sale at Patty's Place of Frederic.

"We want to try and help Chuck and his family with the financial burden of prescriptions, gas and extra expenses this illness will bring on," George Koka said.

MILITARY NEWS

Navy Seaman Recruit Jason A. Fekete, son of Sandra L. Fekete of Grayling, recently completed U.S. Navy basic training at Recruit Training Command, Great Lakes, Ill.

During the eight-week program, Fekete completed a variety of training which included classroom study and practical instruction on naval customs, first aid,

firefighting, water safety and survival, and shipboard and aircraft safety. An emphasis was also placed on physical fitness.

The capstone event of boot camp is "Battle Stations." This exercise gives recruits the skills and confidence they need to succeed in the fleet. "Battle Stations" is designed to galvanize the basic warrior attributes of sacrifice,

dedication, teamwork and endurance in each recruit through the practical application of basic Navy skills and the core values of Honor, Courage and Commitment. Its distinctly "Navy" flavor was designed to take into account what it means to be a Sailor.

Fekete is a 2005 graduate of Grayling High School.

Mclsaac honored for work with children

Michigan Blues give recognition and support to Grayling Youth Booster Club's Irving Mclsaac

Irving Mclsaac, who co-founded the Grayling Youth Booster Club and has served Grayling youth for three decades, was honored Friday evening, Nov. 4, for his outstanding efforts to support Crawford County youth.

Mclsaac was presented with an engraved trophy and \$1,000 donation for the Grayling Youth Booster Club at a gala reception and award presentation in Detroit.

Mclsaac accepted the \$1,000 check and then drew a huge laugh from the audience of nearly 400, by opening his acceptance speech with, "I want to

thank Blue Cross Blue Shield. They sure run a helluva program down here."

The Caring for Children Angel Award is a statewide recognition program that honors individuals whose extraordinary volunteer efforts improve the lives of children in Michigan. Presented annually by Blue Cross Blue Shield of Michigan and Blue Care Network, the awards go to one Grand Angel recipient and five finalists from across the state.

Others who received 2005 Angel Awards on Friday were:

Mary Buschell, co-founder and director of Camp Trail's Edge in Mayville, an annual five-day camp experience for medically fragile, ventilator-dependent children;

Marge Griep, a Braille transcriber at Seedlings Braille Books for Children in Livonia;

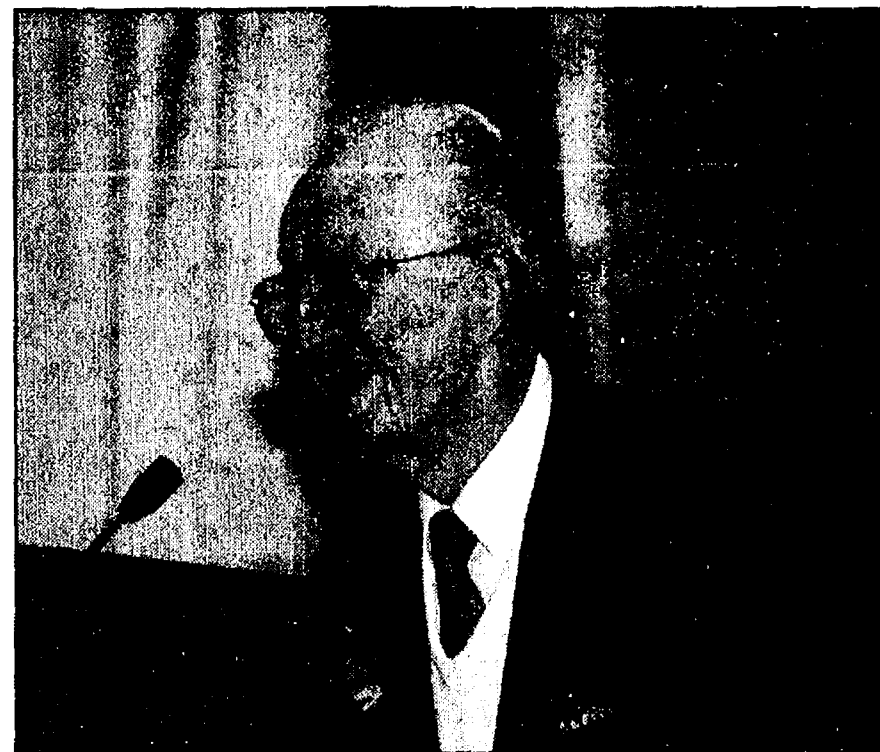

Sue LeGalley, co-founder of Beacon House, which provides

lodging for family members of patients at Marquette General Hospital;

Detroit Police Officer Geoffrey Townsend, who founded Reality Check Detroit, crime prevention program designed to assist at-risk youth by focusing on education-

al, social and behavioral development; and

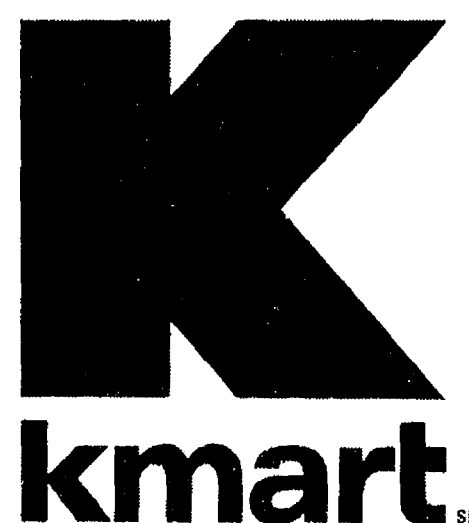

Fourteen-year-old Jennifer Titcher, "Littlest Angel" and co-founder of Dream Reading, which collects donations and distributes books to inner city schools in Grand Rapids.

VETERANS DAY SALUTE

In 1926, Congress recognized November 11 as a day to honor Americans who had served in the Armed Forces during WWI. In 1938, Congress proclaimed November 11 Armistice Day and declared it a legal holiday. In 1954, after WWII and the Korean War,

Congress changed the name of Armistice Day to Veterans Day to pay tribute to all the Americans throughout history who had served their country.

The name may have changed, but the purpose remained the same. Veterans Day is a time to honor the valor and dedication of American veterans. Please join us as we salute the men and women, both past and present, of the U.S. Armed Forces. Thank you for serving and protecting our country.

Ambassadors spotlight Riverland Gear

The Grayling Regional Chamber of Commerce's Ambassador Club selected Riverland Gear as the October Spotlight-a-Member. Pictured above (L to R) Jackie Parker, manager Pam Barr, and business owner Ann Stephenson.

The Grayling Regional Chamber of Commerce's Ambassador Club selected Riverland Gear as the October Spotlight-a-Member Award recipient.

At the corner of Michigan Avenue and the I-75 Business Loop, Riverland Gear opened in October of 1997 by owners Ann Stephenson and daughters, Heidi Pendergraft and Heather Meyer. The store carries name brand clothing for both men and women and includes gifts and furniture.

In January of 1998 Riverland Dry Cleaners opened in the back half of the building providing professional dry cleaning.

Although Stephenson continues to be involved in the business and the community, her daughters are employed elsewhere. Meyer does all the store decorating, however, she works full-time as a R.N. at Mercy Hospital and Pendergraft is a high school teacher in Novi.

Riverland Gear employs eight staff members with Pam Barr as the current store manager.

"The support from the community is wonderful and we would not be open today if not for them," said Stephenson.

Riverland Gear has been a Chamber member for the eight years they have been in business.

Go wild and travel with GPA on a 'South African Safari'

The Grayling Promotional Association Entertainment Travel and Adventure Series will travel on a "South African Safari" on Nov. 17 at the Rialto Theatre, in Grayling, with world traveler John Wilson.

Go wild and explore the world in one country! From deserts to jungles, and everything in between, South Africa's biodiversity is truly amazing for a nation its size. Not surprisingly, nine out of ten overseas tourists come to experience the country's incredible wildlife and spectacular scenery.

Visit the "Garden of the Gods", the multi-colored spectacle of an entire landscape awash with wild flowers. Let the desolation and solitude of the famous Kalahari Desert leave its lasting impression.

Experience the rhythm, the power and the spirit of the Swazi dancers, and see the "Big Five" on their turf - 500 Cape Buffalo at the waterhole; Rhino in the setting African sun; a lion roaring across the bushveld; a lioness with her cubs; a leopard heading out for the night's hunt and elephants chewing the bark off branches.

Drink in the enchanting coastline of the Garden Route from a window seat on the steam-powered Outeniqua Choo-Tjoe and travel along the Blyde River Canyon for breath-taking vistas and spectacular cascading waterfalls.

See some of the loveliest and most unique resorts in the country, perched atop Rock Lodge

The Grayling Promotional Association's Travel and Adventure Series presents "South African Safari" on Nov. 17, on the big screen at the Rialto Theatre and narrated live by world traveler John Wilson.

with the whole of the Kruger stretched out before you, nestled beneath the "Barrier of Spears" at Cathedral Peak Hotel, dine with the soaring vultures at Witsieshoek Mountain Resort; peak out of a thatched rondavel on the ramparts of the "Amphitheatre;" and gaze out at the full moon from an aqua-chalet in the Knysna Lagoon.

Tour the gracious estates of the scenic Cape wine lands, and be humbled by the mystery of Bushman Rock Art.

AFRICA! Just the word stirs the soul and excites the imagination. Anywhere else is tame by comparison!

This live presentation will last approximately 90 minutes and

will begin promptly at 7:30 p.m., doors opening at 6:45 p.m. Tickets are priced at \$8 for adults and \$7 for seniors and students; and are available at the Grayling Regional Chamber of Commerce and Flowers By Josie, Uptown Grayling or at the door.

For more information on this performance or a schedule for the upcoming series call the Chamber at 989-348-2921.

The Travel and Adventure Series is made possible with the generous support of lead sponsor Pick and Sons, Inc. of Grayling, in partnership with the Grayling Promotional Association, area businesses and corporations and the Michigan Council for Arts and Cultural Affairs.

EZ-Built Homes adds new showroom, jobs

by Dan Sanderson
Staff Writer

A Grayling firm which has more than tripled its workforce over the last three years has upgraded its facilities to showcase its products and capabilities.

EZ-Built Homes recently relocated its sales office and showroom next to its manufacturing plant on Young Street in the Grayling Industrial Park. A grand opening, open house to allow the public to view the showroom, which is designed like a home and has several bathroom and kitchen features on display, will be held from 10 a.m. to 4 p.m. on Saturday and Sunday.

EZ-Built homes relocated its office from the Grayling Mini Mall to allow for expansion of office space at the firm's main plant, make room for new employees and give customers a central location to view the company's home models and talk with sales staff.

E-Z Built Homes builds panelized interior and exterior walls for homes and commercial buildings.

The new design department for the firm is located on the basement floor of the showroom. EZ-Built homes will soon begin offering home design services.

"We can design your home, and you can get it built anywhere you want to," said Keith Kenny, senior vice president of EZ-Built Homes.

EZ-Built Homes will complete construction of 30 to 40 homes by the end of the year. The firm has done work for several apartment and housing complexes throughout the state, including jobs in Munising, Ypsilanti, Grand Rapids, Traverse City and Petoskey.

The firm, which started with nine people, has had up to 38 employees working on three shifts at the plant.

"We should remain at full employment through the winter, based on our sales this year," Kenny said.

Football team wins district title

Continued from Page 1A
and still had to win our final two regular season games just to make it to the playoffs. We are now one of eight teams left in the state in Division 4," Coach Ben Brock said. "We have accomplished a lot and the great part is that we aren't done yet."

"Defending state champion Muskegon Orchard View (has) great athletes and even better speed. They have been ranked number one all year and have a 25-game winning streak going. We are excited to play a team with such credentials. We are definitely the underdog. The good news is that makes our guys angry. We'll have to use our toughness to try to make a game out of it. It should be a good time," Coach Brock said.

The Vikings (8-3) will play at Muskegon Orchard View (11-0) on Friday, Nov. 11, at 7:30 p.m. for the Region 1 championship. Pre-sale tickets are available at the GHS office for \$5.

Tickets will also be sold at the

Grayling High School will have spectator buses available for the trip to Muskegon. The cost is

\$10 per person, which covers the trip there and back and a ticket to the game. Visit the GHS office to sign up. Payment is due at the

time of registration.

Local scouts earn Rifle and Shotgun Merit Badge

As part of the Boy Scouts Rifle and Shotgun Merit Badge requirements, Boy Scout Troop 995 from Grayling and Troop 991 from Mio took part in a one-day class on firearms safety, identification and use.

Richard Kiessel, who has grandsons in Boy Scouts and is a former scout himself, offered to conduct this class with the help from members of the Mio Moose Lodge. Kiessel is also an instructor for hunter safety classes for all youths.

The scouts had to learn two different parts of firearms, knowledge and use. They learned to identify firearms, firearm safety principles, firearm components and the safe way to clean all firearms.

They then had to qualify in the rifle category with a .22 caliber. With their own individual shooting coach each scout had to put five rounds of five in an area the size of a quarter. "That is a pret-

ty small area," said Kiessel. Scouts who worked on the Shotgun Merit Badge had to qualify by shooting 24 clay

pigeons out of 50.

During the day the scouts were served lunch by the ladies of the Mio Moose.

Scouts use their map reading skills on U.P. bike trip

Local Boy Scout Troop 995 recently took a fall bike trip to the upper peninsula. The scouts set up camp at the Straits State Park in St. Ignace on Friday evening. On Saturday morning after breakfast the scouts rode their bikes from camp to the Star Line Ferry to go across to Mackinac Island.

Once on the island the scouts used the bike maps to navigate the trails on the island. They rode on trails and went to places they never knew were there. The boys found the "Cave in the

woods" and the "Crack in the woods", located in the north western center of the island and took time out to explore the small cave and behind it was the crack in the woods, which was about 7 feet deep, 30 feet long and about 16 inches wide.

Using the bike map gave the boys more experience with map reading and finding their way.

The scouts were able to go into the Grand Hotel and walk around and see the beauty of the hotel. "You almost feel like you are out of your element", said

Scoutmaster Jim Pickell.

The scouts did have to break once in a while for repairs, three of which were major. When we got back to the mainland the scouts rode back to camp; with the exception of two, who had to be trucked back to camp due to mechanical problems.

Troop 995 is looking forward to seeing snow on the ground so they can do their annual "Polar Bear Campout". Any boys interested in joining Boy Scouts can call Scoutmaster Jim Pickell at 348-2870.

Grayling to play at Muskegon Orchard View for regional crown

Vikings force three turnovers and outscore Flivvers 14-0 in the fourth quarter

by Caleb Casey
Senior Staff Writer

Grayling High School won its first ever district championship in football with a 35-18 victory

over the Kingsford Flivvers last Friday at Viking Stadium.

Kingsford received the opening kickoff and took an early 6-0 lead with a 62-yard, five-play scoring drive that ended on a 20-yard touchdown run. Grayling blocked the extra point kick attempt.

The Vikings responded with a

four-play, 75-yard touchdown drive. On the third play of the series, quarterback Jeff Bancroft completed a pass to Reagan Schmidt for a gain of 48 yards. Joey Bancroft scored a TD on the next play with a 26-yard run. Jason Drudge kicked the extra point for GHS, giving the Vikings a 7-6 lead 2:55 into

the contest.

The Flivvers recovered Grayling's on-side kick and started at the 50-yard line. Kingsford finished the possession with a 26-yard touchdown pass. Grayling stopped Kingsford's two-point conversion attempt. The Flivvers led 12-7.

Grayling started at its 35-yard line after the kickoff. A pass to Eli VanNuck gained 27 yards. Three runs by Jeff Bancroft and one by Joey Bancroft picked up a first down. An offside penalty on 3rd and 2 brought up 3rd and 7. Kingsford intercepted a Grayling pass in the end zone to end the series.

Kingsford ran three plays and punted.

The Vikings took over at their 29-yard line. On the fourth play of the possession - 4th and 9 - Grayling punted but Kingsford was whistled for a roughing the kicker penalty, giving GHS a

MICHIGAN DRIVER ALERT

Against Insure the Uninsured

Many Michigan drivers believe that their "No Fault" auto policy will cover everything--no matter who is at fault. This is not entirely true.

Some losses are intended to be covered by the at fault driver. But, what if their policy coverage limits are too low, or they drive with no insurance at all?

Not all companies offer protection in these situations, but Auto Owners does. Let us show you how to protect yourself and your family with Uninsured and Underinsured Motorist Coverages from Auto Owners Insurance.

JV Vikings win vs. Elks 40-31

Grayling to finish 2005 season with a game at Roscommon on Thursday

The Vikings of Grayling High School defeated Elk Rapids 40-31 in last Tuesday's junior varsity basketball game at GHS.

Grayling led 12-7 after one quarter and had a 27-14 advantage at halftime. The Vikings took an 11-point edge into the fourth quarter, 36-25, and won by nine points, 40-31.

"The inside girls - Tiffany (Davis) and Alyssa (Lewis) - played a heck of a game defensively," Coach Jimmy Parker said. "We were certainly out-sized. We had an all-around effort."

"The shooting percentage still isn't there, but they played a

heck of a defensive game. We've still got to work on shooting and getting open," Coach Parker said. "I'm proud of them. Elk Rapids beat us the first time over there. Tonight, we played better as a whole as a team. It was a fun game to coach. It was fun to watch them play as a team."

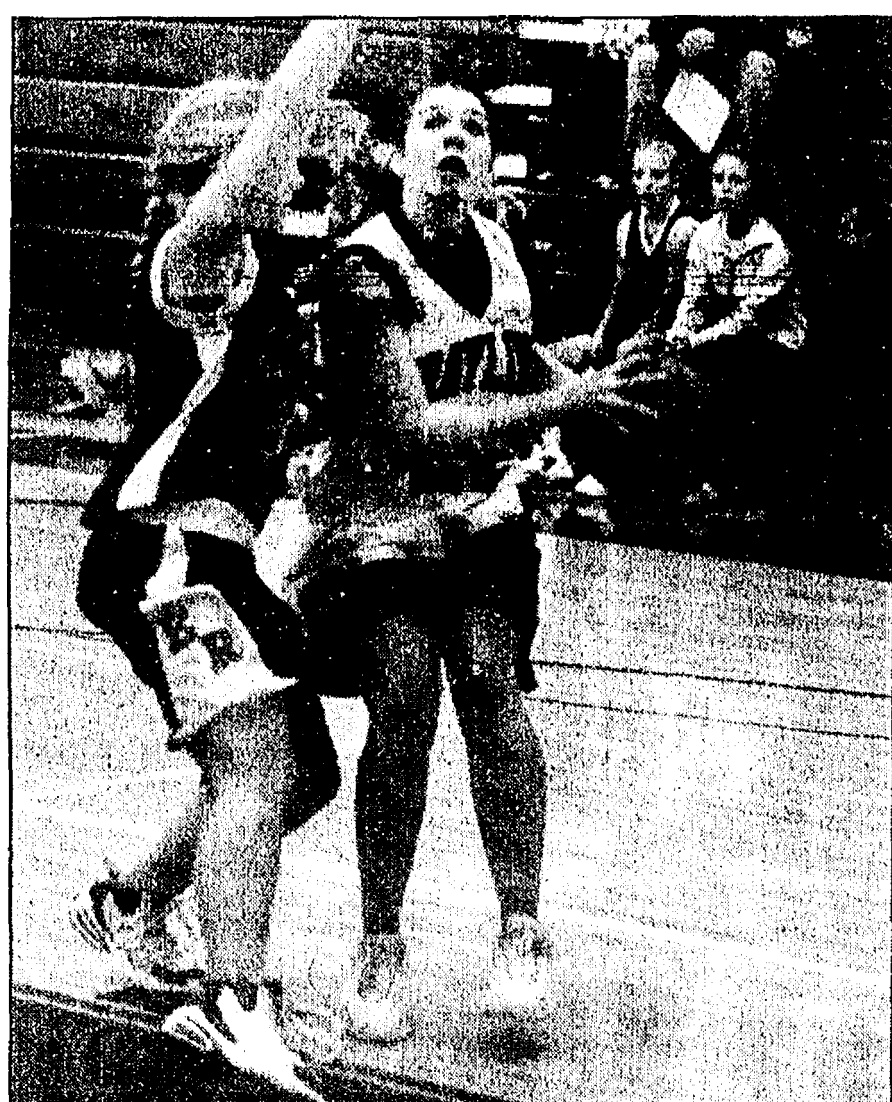

"I hope they keep the intensity of the last three games and a half," Coach Parker said.

Annie Melroy was the leading

scorer for Grayling with 17 points. Jessie Baker and Gabby Calkins both finished the game with 6 points.

"Annie is learning that she has some speed and getting confidence in her shot. That's really going to help us down the stretch," Coach Parker said.

The JV team will end its 2005 season with a game at Roscommon on Thursday, November 10.

Jessie Baker looks to shoot for the Vikings on Tuesday night.

Vikings defeat Elks, Rams

■ GHS wins home game vs. Elk Rapids 58-24, wins 62-42 at Harbor Springs

Grayling High School's varsity girls basketball team won league games against Elk Rapids and Harbor Springs last week.

On Friday, the Vikings defeated the Elks of Elk Rapids 58-24 at GHS.

Grayling led 17-6 after one quarter and had a 38-13 advantage at halftime. The Vikings had a 45-16 lead going into the fourth quarter and finished with a 34-point victory.

"We mixed it up on defense tonight and really put forth a

great effort. We never allowed more than eight points in a quarter. Our defense caused many turnovers, creating easy buckets for us going the other way," Coach L.J. Mead said. "Offensively we are moving the ball around and executing better than we have all season."

Katie Baynham posted a double-double for GHS vs. Elk Rapids with 15 points, 10 rebounds, 2 assists, and 4 steals. On Thursday, the Vikings won 62-42 at Harbor Springs vs. the Rams.

"Our girls put together a complete game tonight, as we really executed well on both sides of the ball. It was fun watching our team come together this week. I hope we can carry this momentum into the tournament," Coach Mead said.

At Harbor Springs, McGuire had 20 points, 3 rebounds, 2 blocks, 3 assists, and 2 steals; Baynham had 13 points, 6

first down. Three runs by Joey Bancroft picked up a first down. Completed passes to Bobby Starks, Schmidt, and VanNuck brought up 1st and 10 at the 12-yard line. On 2nd and 5, Joey Bancroft scored on a 7-yard touchdown run. Drudge kicked the extra point, and the Vikings led 14-12 with 6:17 left in the first half.

Kingsford fumbled on its first play from scrimmage and Schmidt recovered the ball for GHS. Grayling took over at mid-field. On the seventh play of the drive, GHS went for it on 4th and 2 and surrendered the ball on downs.

The Vikings forced Kingsford to punt on 4th and 8. Zach Dean blocked the kick for Grayling and recovered the loose ball, giving GHS possession at Kingsford's 32-yard line.

Joey Bancroft ran for 11 yards on 2nd and 10. A run by Joey Bancroft and a pass to Zac Baker brought up 1st and 10 at the 1-yard line. Joey Bancroft finished the drive with his third touchdown run of the contest. Drudge kicked the extra point, giving Grayling a 21-12 advantage with 41 seconds left in the half.

Kingsford had a good return on the kickoff nullified by a holding penalty. A pass completion gained 24 yards on first down, moving the Flivvers into Grayling territory. On 3rd and 10 from the 42-yard line - the final play of the half - VanNuck knocked down a Kingsford pass in the end zone to end the series.

GHS led 21-12 at halftime.

The first possession of the second half ended with a punt by Grayling.

Kingsford took over at its 30-yard line. The Flivvers ran for nine yards on first down, then broke free for a 61-yard touchdown run on 2nd and 1. The extra point kick sailed wide right. The Vikings led by three, 21-18.

The next three possessions - two by Grayling and one by Kingsford - ended with punts.

The Flivvers drove from their 22-yard line to Grayling's 42 on five plays and one Grayling penalty (offsides on 4th and 2). Grayling's defense held from there and forced a Kingsford punt.

A pass to Baker gained 12 yards. Joey Bancroft ran for 11 yards on the next play. Two runs by Joey Bancroft picked up another first down. Runs by Jeff Bancroft and Joey Bancroft brought up 1st and 10 at the Kingsford 31-yard line. Jeff Bancroft ran for 22 yards on 2nd and 11 to bring up 1st and 10 at the 10-yard line. Grayling fumbled on the next play and Kingsford recovered.

The Flivvers started at their own 14-yard line. On the second play of the series, VanNuck intercepted a Kingsford pass to end the drive.

GHS started at its 47-yard line after the interception and gained 14 yards on first down with a run by Joey Bancroft. On 4th and 5, after losing three yards on a fumble on 3rd and 2, Grayling converted with a pass to Schmidt. Two runs by Joey Bancroft picked up 13 yards, bringing up 1st and goal at the 10-yard line. Three plays later, on 4th and goal at the 7, Jeff Bancroft completed a pass to Schmidt for a touchdown. Drudge kicked the extra point, and GHS led 28-18 with 4:50 left in the game.

On the second play of Kingsford's next possession, Jeff Bancroft intercepted a Flivver pass and returned the ball all the way to the goal line for a touchdown. With the extra point kick by Drudge, GHS led 35-18.

Kingsford started at its 41-yard line after the kickoff and picked up one first down with a 10-yard pass play. On 3rd and 10, VanNuck intercepted Kingsford's pass attempt.

Grayling took over at its 27-

yard line with 3:05 left in the game. Grayling ran the ball three times, forcing Kingsford to burn all three of its timeouts. The Vikings ran once and kneeled twice to bring up a punting situation. Grayling kicked.

The Flivvers started at their 39-yard line with 38 seconds remaining. On 3rd and 1 - the final play of the game - VanNuck intercepted a Kingsford pass for the third time that night.

Grayling won by a final score of 35-18.

On offense, Jeff Bancroft finished with 160 passing yards and one touchdown. Joey Bancroft rushed 36 times for 185 yards and three touchdowns. Schmidt had four catches for 64 yards and one touchdown. VanNuck and Baker both had three receptions for 40 yards.

Defensively, VanNuck had 9 tackles and 3 interceptions; Jeff Bancroft had 7 tackles and 1 interception; Baker had 7 tackles; Matt Larson had 6 tackles; Nick Parkinson had 5 tackles; Andrew Woolsey had 5 tackles; Schmidt had 4 tackles and 1 fumble recovery; and Dean had 1 blocked punt and 1 fumble recovery.

"It was a night that none of these guys will ever forget. All of the hard work in the offseason paid off as we captured our first ever district championship," Coach Ben Brock said. "Seniors Reagan Schmidt, Eli VanNuck, Zac Baker, Zach Dean, Matt Larson, and Joey Bancroft all brought their best in their final home game ever at Ferguson Field. Schmidt had a huge TD reception in the fourth as well as many other key catches. Bancroft finished the night with three touchdowns and 185 yards. VanNuck had three huge interceptions. Dean had a game-changing blocked punt. Larson had our biggest hit of the year on their stud running back. And Baker ran the show on defense, calling out every formation and play that Kingsford ran."

"Our coaching staff called Jeff Bancroft out in the beginning of the week. We told him, in front of

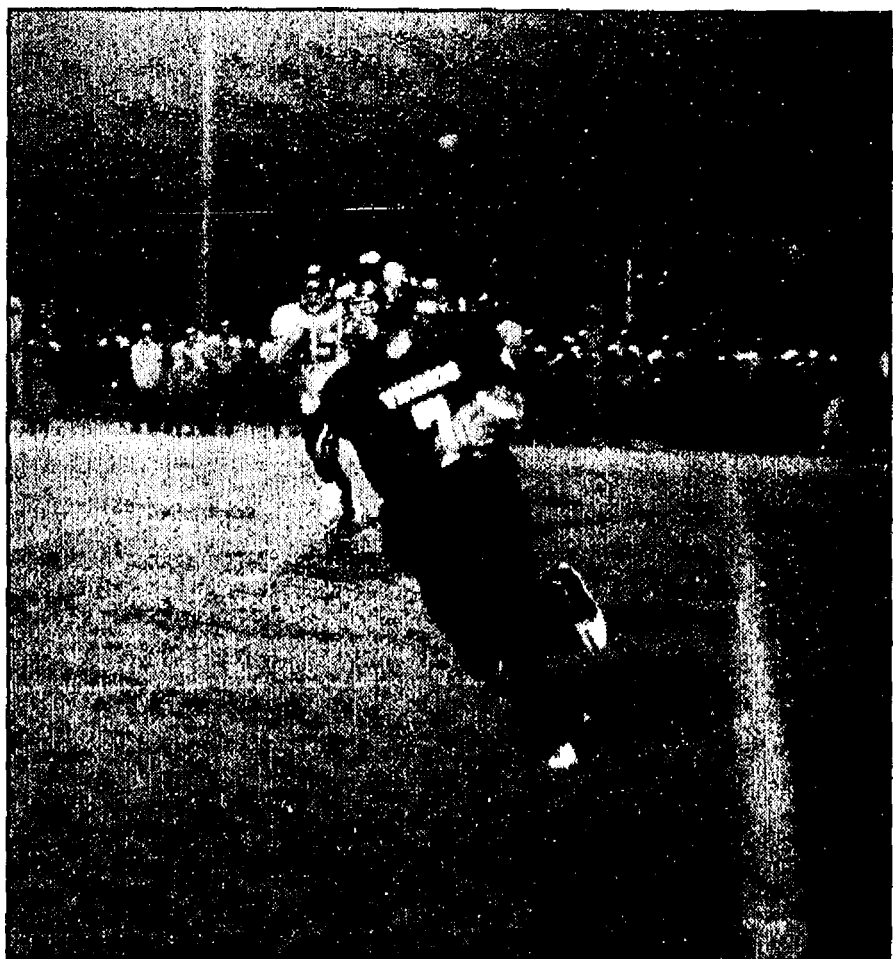

the team, that it would come down to how well he played if we were going to win. Jeff accepted the challenge and led us to a victory with his rollout passes and precise decision making all game. Then he sealed the deal when he intercepted a pass in the fourth quarter and took it to the house. I am very proud of how he has stepped up his game in the playoffs," Coach Brock said.

"This is such a group of over-achievers this season. No one thought that this team would be where it is now. We were 4-3 at one point. We finished third in the conference and still had to win our final two regular season games just to make it to the playoffs. The seniors willed us to win and have not let up since then. We are now one of eight teams left in the state in Division 4," Coach Brock said. "We have accomplished a lot and the great part is that we aren't done yet."

"Our next game is the state quarterfinal against defending state champion Muskegon Orchard View. They have great athletes and even better speed. They have been ranked number one all year and have a 25-game winning streak going. We are excited to play a team with such credentials. We are definitely the underdog. The good news is that makes our guys angry. We'll have to use our toughness to try to make a game out of it. It should be a good time," Coach Brock said.

The Vikings (8-3) play for the Division 4 Region 1 championship on Friday, Nov. 11, at Muskegon Orchard View (11-0). Game starts at 7:30 p.m. Tickets for the contest can be purchased at the GHS office this week or at the gate on game night. Tickets are \$5.

GHS is also offering spectator buses for the contest. The cost - \$10 - covers bus ride to and from the game and the ticket into the game. Buses will depart Grayling High School at 1:45 p.m. on Friday afternoon. Visit the GHS office this week to sign up for the bus ride. Payment is due at the time of sign-up.

Older dogs are often overlooked for adoption even though they make wonderful pets! That's why the ASPCA has named November "Adopt-A-Senior-Dog-Month." Zigmund came to the shelter over a month ago and is a calm, loving older chocolate Labrador. He has a bit of white in his muzzle, but is by no means too old to find a new, loving home. He seems to only want to be with people and be loved. Zigmund is neutered and up to date on his shots. Adoption Fee: \$150. For information on any of our pets that are up for adoption, please visit our website at: www.aspc.petfinder.com

Dog Opoly and other games (\$25) are on sale at The Copy Shop. All proceeds go to the shelter.

The 2006 Pet and Dog Calendars are now on sale at the Avalanche, The Copy Shop and the shelter. Cost: A donation of \$5 for each, all proceeds go to the shelter.

Donations can be made by sending a check or money order to: Animal Shelter of Crawford County, P.O. Box 384, Grayling, MI 49738.

1/2 cup sugar
1 Tbsp. ground cinnamon

1 pkg. (8 oz.) Cream Cheese, cut into 12 cubes
1/4 cup (1/2 stick) butter, melted

PREHEAT oven to 350°F. Separate dough into 12 biscuits; press or roll each to 1/4-inch thickness. MIX sugar and cinnamon in shallow dish. Dip cream cheese cubes in melted butter, then roll in the cinnamon sugar. Place 1 cheese cube in center of each dough circle; gather up sides of dough to enclose filling. Press edges of dough together to seal. Place, seam sides up, in lightly greased muffin pan. Drizzle with any remaining butter; sprinkle with any remaining cinnamon sugar.
